

Remote Access to Library Resources

NEW Please note that the following database access instructions have changed.

All currently enrolled Finger Lakes Community College students, faculty and staff can access online library resources from off-campus via any Internet Service Provider. You will need your FLCC *computer network* username and password. Students, your network username and password is the same as your WebAdvisor username and password.

If you experience any difficulties accessing our databases, [click here](#) for our troubleshooting page.

Use your FLCC computer network username and password to access the resource that you have selected. When accessing our databases, this login process is necessary only once per browser session. Once you have finished searching the selected database, you may return to the list of databases on the library's website and make another selection.

User type:

Enter your USERNAME:
(FLCC network username)

Enter your PASSWORD:
(FLCC network password)

Use your FLCC computer network username...

STUDENTS - This is the same username you use for WebAdvisor

FACULTY - This is the same username you use to logon to an FLCC computer (or check your email)

Use the same password that you use to log on to an FLCC computer
